

A Very Simple Questionnaire - the Annual Dinner

As mentioned in the recent circular, the committee is looking to canvas opinion on the future of the annual dinner.

Seeking to make the event appeal to as wide an audience as possible, we would be grateful for your thoughts on the future format, specifically:

- The time of year for the event
- The time of day
- Other relevant comments

The event will remain in Sheffield, although the venue is open to review.

Please always bear in mind the twin aims of the event, which are to provide a fun, social occasion and to raise funds which will be used to benefit the students and the school.

Please send your answers to:

We will report back to you as soon as possible with a summary of our findings.

Thank you in anticipation. Your participation is greatly appreciated.

P.S. Many thanks to those of you who have already been in contact with comments following the dinner! No further need to reply on this unless you have any further thoughts to add.
